

## Serving on the Registration Team

**Thank you** for your interest in serving at the **Rock & Run 5K** on **Saturday, September 4th!** We are looking forward to an exciting day where we hope to raise over \$75,000 to build fresh water wells for the poorest of the poor. Together, we can make a difference! Below are details you will need to know about serving on the **Registration Team**.

**GOAL:** The goal of the **Registration Team** is to get all runners and walkers checked-in for the run. This includes already registered participants as well as same day participants. After Registration ends at 11:15, the team will reorganize the Advance Registration tables to hand out T-Shirts by size to participants who have completed the race.
