

FLATIRONS STAFF —

VALUES

WE ARE A **HEALTHY** STAFF, **ON MISSION**, WHEN:

- We're **relationally** connected.
- We function **strategically** and **practically** across teams.
- We regularly learn from **honest** and **objective self-assessment**.

THIS IS HOW **WE DO IT:**

WE LIVE **MISSION-MINDED.**

We filter all decisions and strategies through Flatirons mission statement (to bring the awesome life of Christ to people in a lost and broken world).

PHILIPPIANS 3:14

WE KNOW **THIS IS IMPORTANT.**

We go above and beyond because people's lives are on the line and helping them to get to know Jesus is the most important thing we can do.

COLOSSIANS 3:17

WE **TAKE RISKS.**

With our mission in mind, we take risks for the sake of innovation, celebrating wins and learning from failures.

JOSHUA 1:9

WE ARE **RAW AND REAL.**

We show up as we are and allow others to do the same. We believe vulnerability allows God to redeem our mess and bring us new life.

2 CORINTHIANS 12:9

WE PURSUE **GROWTH AND DEVELOPMENT.**

When we choose our own development and growth, and encourage others to do the same, we build up Jesus' church.

PROVERBS 27:17

WE **HAVE FUN.**

We believe what Jesus has done for us is worth enjoying and we celebrate with humor, laughter, and joy!

PSALM 126:2-3

WE **COMPETE TO HONOR.**

We see others the way Jesus does and honor our leaders, staff, and co-workers, acknowledging strengths and standing in the gap of weaknesses.
