Hey friends,

I love serving at our church! Last Sunday was incredible - God was all over the entire weekend!

Saturdays are interesting. I find myself getting excited for Sunday!

- I wonder what God is going to do in our midst.
- I get excited when I hear the congregation singing louder than the worship team.
- I think about the all first time guests that will be coming.
- I am thankful for the hundreds of volunteers that will be serving.

- I think about all the people that will truly experience a "Welcome Home" moment.

Tomorrow is going to be another amazing day. Pastor Chuck will be teaching the 4th lesson in the *Encounters* series and we will be observing the Lord's Supper. I believe it is going to be really meaningful.

I would love for you to join us tomorrow. This is a great week to invite a friend - if they come, please be sure to stop by the Meet and Greet after the service so we can say, "Hello!" We would love to meet them.

We'll see you tomorrow.

Blessings,

ps.
