Hi Sarah,

Did you know that tomorrow you can make a big impact?

Sometimes we think the little things we do make no difference, but that's not true.

Tomorrow is **Be Rich** Sunday at Connexus. And it's our chance to give back to the local community. Andy Stanley and I aren't going to ask you for a lot, but when we all partner together, we can make a BIG impact. That's what tomorrow is about.

Tomorrow, we'll stand along side our local partners that serve food to the hungry, house the homeless and care for the people who most need help in our community and give back to them. It's an awesome moment. And if you remember if from last year, you'll know what I'm talking about. If it's your first year with us for Be Rich, I think you'll agree it's an incredible moment.

That's why I don't want you to miss it.

Really looking forward to tomorrow at Connexus.

Enjoy your Saturday! Can't wait for Sunday.

Carey
