## Central Check-in

At Central, we'd like to know where our people are in some common practices of following Jesus. We never want you to feel shamed or guilted for where you're at in your faith journey – that is not the goal of this check-in. The goal is simply for us to assess our people and find patterns that may help us to help you grow in your faith throughout the coming year. Thank you for joining us in this wonderful journey of following Jesus!
