About Us

Our Mission "Gather Grow Go".

Our Vision We see ourselves as being "a gift to the community"

Our Message "At Doncaster Church of Christ you will find purpose, hope and meaning for life in a welcoming, caring, Christ-centered community".

Our Typical Sunday Worship Services

Sunday 9am Service A well rounded one hour service with a traditional feel, followed by morning tea in the hall. Includes Kids' Storytime.

Sunday 10.30am for a 10:45am start, conneXion is a relaxed and contemporary worship service ideal for young families. Including Donny Kids church, 10:30am in Upper Room.

Sunday 5pm Infusion Service A modern, and often creative time of worship aimed at youth, young adults, families and singles.

Our Theme for 2013

The vision behind the theme Age to Age is that God is the Lord of our whole story at Doncaster - past - present - future - and that is significant, especially as we celebrate 150 years on Doncaster Hill. God has been and will be faithful through all generations. God stands at the centre of all we are and do. God is the sole reason for our existence, and all are united in Him!

Our Prayerful thoughts and opportunities...

Please remember in your prayers this week all the young adults who, after 12 years of study will be "letting their hair down" at the many Schoolies Festivals.

Pray too for the Chaplains from the Red Frogs Network who give up their time too in a ministry of presence to these young people. Pray for:

- Safety for volunteers and schoolies;
- Team cohesion as they work long hours in potentially difficult situations;
- Great relationships to be built with the Schoolies;
- Good working relationships with the other key service providers.

Opportunities for corporate (group) or silent prayer include:

Sundays at 10.15am; Wednesdays between 12pm and 12.30pm; and Fridays between 8.00am to 8.30am

These prayer sessions are for anyone and there is NO pressure for you to pray out loud. We pray for whatever God has placed upon our hearts - for our world, for our community, for our church and for each other.

Everyone is welcome and invited

The Red Frogs

Did you know that this year we have two excellent people from Doncaster, volunteering their time with RedFrogs in Rye?

Red Frogs in a national volunteer chaplaincy network that supports 'Schoolies' during their celebrations of the end of their high school education. The team of 48 volunteers down at Rye, including our own Ben Chong and Bec Marchant, will seek to assist Schoolies by offering a free bus/walk home service, cooking free BBQs and pancake breakfasts, cleaning up rooms, handing out free Allen's Red Frogs and water, and by offering practical and emotional support through what can be a challenging week. Please keep Ben, Bec, the Red Frogs team in Rye and schoolies in your prayers this week.

Weekly Thought by Simon Clemow

One of the final scenes in the Gospel of Luke, is the finale for Luke's Lectionary Year, and for our "Going Deeper" series. In this rendition of an eye witness account, the hearers of the story are asked - which of those present at the Lord's crucifixion do you most closely relate with?

Those at the foot of the cross, weeping for the things that have been lost?

The people who watch on in silent condemnation as another trouble maker, who almost brought down the Roman Legions upon them, is put to death?

The guards and officials who mock Jesus and his messianic claims?

The sarcastic criminal who hopes, despite his words of a miracle?

Or the other criminal - guilty of the charges laid upon him - who has looked beyond himself - hearing the prayer of Jesus as he hung on the cross to "forgive them Father, for they know not what they do." Knowing that the messianic claims of Jesus were true, not because of some great miracle he saw, or because he received material help - but by simply looking upon the suffering of Jesus and hearing not anger, pain, blame and acidic vitriol, but a message of forgiveness.

As we begin to prepare ourselves again for the coming of the Christ at Christmas, let us not forget that in the shadow the manger, with its message of peace on earth and angelic celebration, is the cross - a place of death, destruction and sorrow.

Before we gather around the manger and witness the miracle of God's incarnation, consider which of those who witnessed God's brutal political execution do you most closely relate with?

The Philippines – Typhoon Haiyan - Appeal *

One of the worst recorded typhoons in history, super typhoon Haiyan, is estimated to have killed 10,000 people in the Philippines and left hundreds of thousands displaced.

Churches of Christ Overseas Aid (COCOA) is partnering with Australian Lutheran World Service to bring humanitarian assistance into the devastated city of Tacloban and surrounding areas of northern Leyte.

Typhoon Haiyan, known locally as Yolanda, made landfall in the Philippines Eastern Visayas Region in the early morning of 8th November, hitting an area still recovering from the 7.2 magnitude earthquake that struck Bohol province in central Visayas region in October.

Sebastian Rhodes Stampa, the head of a UN disaster assessment coordination team reports, "This is destruction on a massive scale. There are cars thrown like tumbleweed and the streets are strewn with debris."

Tacloban, a city of 220,000 and capital of Leyte, is now without food, water and electricity. The typhoon-affected areas include communities experiencing high levels of poverty. The hardest hit areas are extremely difficult to reach due to flash floods, landslides, fallen trees, damaged infrastructure and telecommunications.

If you would like to contribute to this appeal, please place your donation in the bowl near the door as you exit the worship centre.

If you would like to benefit from the tax deductible nature of COCOA in giving to this appeal, please make your donations direct to Global Mission Partners via their website: www.inpartnership.org.

Book Share *

Although the book shelves have been moved they are still operational. You are asked to donate a gold coin for each book borrowed and the proceeds go to the School Chaplaincy Fund. Donations to date are \$1,814. Well done!

Christmas is fast approaching and the need for reading matter over the holiday period comes with it. As the Book Share Shelves will be closed in January please make your selections soon. A longer borrowing period will be accepted over summer.

Thank you for your support and HAPPY READING. More information from Heather Mansell

Doncaster is conspiring this Christmas, will you? *

This Christmas season Doncaster is joining with thousands of other Christian churches around the world in the belief that Christmas can still change the world! The Advent Conspiracy asks us to seriously consider what Christmas is all about - to reclaim it as a holy season - not a season of excess and worship at the altar of consumerism.

For example, you'll be asked to consider giving one less present this year, setting aside that money to bring it on Christmas Day to combine with other gifts as together we share the Christmas message with those beyond our community. Stay tuned for the launch video at each of the three worship services today. This season, lets conspire together to Worship Fully, Give More, Spend Less and Love All. To find out more, visit www.adventconspiracy.org

FRIENDS will be concluding a successful 2013 with our annual Christmas lunch on Thursday 5th December at 12.30pm. All of our church family and friends are invited to come and join us. Please see Glenys or Sheila to reserve your place, cost \$15pp.

Neighbourhood Christmas Dinner *

Our 3rd annual Neighbourhood Christmas Dinner is coming around again! Make sure to put **Sunday 15th December** into your diaries, and start letting your friends, families and neighbours know too. The event will begin at 5PM and end at 8:30PM.

We will be looking for volunteers for welcoming, serving, cooking and to be in the choir and more information will be coming in the following weeks. We will also be collecting presents for UNOH (Urban Neighbours of Hope – www.unoh.org) once again to share with needy children. We invite you to join us in bringing an unwrapped gift for an infant, toddler, young child (5-9) or older child (10-14). Your contribution will be much appreciated this Christmas.

DYC - the big event! *

Friday 29th November 7.30pm
