WELCOME!

Thank you for joining Genesis at the worship gathering today. We are glad you are here. Our desire is that God would bless and direct this time together and that our worship would be in Spirit and in Truth.

ABOUT THE GATHERING

MUSIC Worship is an interactive, participatory experience. We invite you to join in as we praise God through singing by following the on-screen lyrics.

OFFERING We give tithes and offerings as an act of worship, obedience, celebration, and thanksgiving to the Lord. You can give during the service or anytime via our website. You can also give using your smart phone. *If you are a guest, you are not expected or obligated to give.*

MESSAGE The teaching time seeks to communicate God's Truth in compelling, relevant ways. Feel free to take notes using the space provided in this Weekly or via YouVersion Live.

PRAYER During the gathering today, members of our prayer team will be available. They are willing to pray with you in response to what God is saying or because you're just having one of those kinds of days. Feel free to seek one of them out. They're wearing tags that say *Prayer Team*.

THIS WEEK IN THE BIBLE

James, one of Jesus' half brothers, challenges his readers with his memorable letter in the New Testament. Using vivid language and colorful analogies, James instructs his readers to resist complacency and walk their talk. In the Old Testament, Ezekiel relates a pair of stunning visions he receives from the Lord: a valley of dry bones brought back to life; and a rebuilt Temple in Israel, filled once again with the Lord's presence.

GENESIS PRAYS

Prayer is the primary work of God's people. It is a vital connection to God where we can hear from, listen to, and respond to the Lord.

We encourage you to pray as part of being a healthy DNA filled disciple. Here are some ways you can pray this week...

INTERNATIONAL WORKERS

Genesis is privileged to be a part of the Christian & Missionary Alliance. For 125 years, the CMA has been proclaiming the good news of Jesus Christ around the world. Today, there are almost 6 million people in 81 countries who are part of the CMA. Still today, there are a group of people who are daily on the frontlines in places far from their homes because of the love of Jesus. While we can't list their names here, we encourage you to be praying for these international workers as they are light.

GENESIS REQUESTS

- For **Kim Pitchford** as she follows God's direction in mission work.
- For the opportunities that will come to care and bless Little Beginnings families at the Thanksgiving Feast this week.
- For the people who will be impacted by **A Season of Giving**.
- For those dealing with health issues: **Jenny Rose**, Ginny Kleinschmidt's sister, **Charleen**; JoAnn Moore's cousin, **Gloria**; **Greg Waters**; and **Ginger**, a niece of Eddie & Glenda Waters.
- For the opportunities we have to **BLESS** our community and friends.

PRAYER FOCUS

Genesis Day of Prayer Focus:

- That we would grow in obedience and surrender as disciples individually & corporately.
- That we would be unified as healthy disciples as the Body of Christ.
- That we would live reflecting Christ as we BLESS people for God's glory.
- That we would hear and follow God's leading in all areas

PRAYER INFORMATION

- To submit a prayer request, write it on your Connection Card, call the church office, or use the form at www.genesischurchcma.org/grow/prayer
- Visit www.cmalliance.org/pray to be a part of praying for the needs of the Christian & Missionary Alliance around the world.

CURRENTSERIES: BLESS

What comes to mind when you hear the word “mission”? Army mission? Recon mission? Rescue mission? Secret mission? Or maybe it’s remembering the “missions” you went on as a kid in the woods behind your house.

We talk a lot about living on mission here at Genesis. It’s the A of DNA as we seek to intentionally love others to Christ. But the reality is that for most of us, “mission” sounds exciting, but we see our life as anything but. We want to live intentionally reflecting Christ, but have no idea how to break out of the same old routine of life.

But what if there’s a practical way to actually discover and live out the mission God has for us as His disciples? What if it isn’t so much about different life activities, but about just doing what Jesus did? What if the secret to discovering our God ordained mission starts with simply doing the mission of Jesus? Could it be that we really can reflect Christ, live on mission, and *BLESS*?
