### Faith is a journey, not a guilt trip.

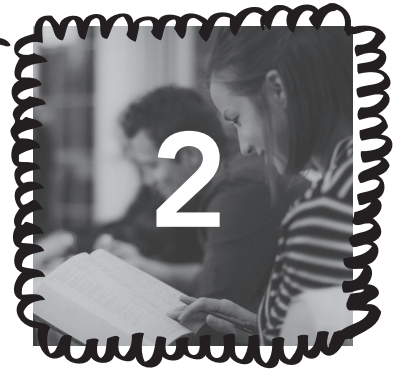

Liquid is an independent Christian church with an amazing story! A few years ago, Pastor Tim started a Bible class with 12 friends. They met in a tavern with a vision to reach others who were far from God. Since then, Liquid has grown to over 2,000 people from all walks of life-- learning to follow Jesus & serve together. We have 4 campuses across NJ with a passion to impact our region for Christ!

### Liquid is more than Sundays!

Whether you are new to Liquid or have been coming for years, a Life Group is a great next step to grow in your relationship with God and others.

### Serve with us.

Each week, our volunteers minimize distractions and create opportunities for God to do His work. Be a part of Liquid's vision to bring church to the people!

### Faith in Action.

At Liquid, we share Christ's heart for serving our neighbors in need -- especially the least, the last and the lost.

Join us as we move from our seats and in to the streets to be the hands and feet of Jesus to our neighbors.
