"Organizational atrophy sets in the day after your best day."

This Sunday is going to be **Somebody's first Sunday** at church in long time.

Somebody is thinking about throwing in the towel on their marriage and they'll be with us this weekend.

Dozen's of parents are **struggling to raise Somebody** ... but we won't be able to tell at Liquid Kids check in.

Somebody is giving faith a chance for again ... and will be with us in a couple days.

There are a lot of Somebody's coming on Sunday. Thank you for the part you are doing to get ready for them. **Last Sunday was a Big Day for us ... this Sunday is a Big Day for Somebody.**

New Brunswick is in the High School this weekend ... let's pray for our team making that switch happening and that our people will love this experience.

Nutley & New Brunswick // Q&A Sunday

- Tim & Tom are capping off the 40 Day Bible Challenge by answering some of the most common questions that we received.
- Our Bands are doing an upbeat acoustic set ... think Mumford & Sons without the cursing. (hopefully!)
- During the Offering Prep part of the service ... our CPs will be celebrating all the amazing life change that is happening throughout Liquid!
- The 411 will focus on the SAMSON series starting next week, OMG Youth Event on Friday & Starting Point as a great next step for people after Easter.
- At the end of the message the Campus Pastor will be on stage inviting people down to the front after the service if they still have questions and dismissing people as they invite people to Samson.
- Our Ushers will be handing packs of invites that drive to both OMG and SAMSON as people leave the service. (A picture of those are attached.)

Morristown // SAMSON Part 1

- Tom is kicking off this three part series on Sunday!
- The ever-capable Lauren Vicari will be hosting the service.
- As people come up the stairs they will be greeted by a SAMSON photobooth .. we're taking photos and posting them to facebook on Sunday evening! Church is fun!
- During the offering prep we'll be talking about all the amazing Life Change happening around Liquid!
- The 411 will feature - Love Doctor starts in 3 weeks!, OMG is next Friday & Starting Point is a great next step for people coming out of Easter.
- During the dismissal we will be reminding people about the OMG event.

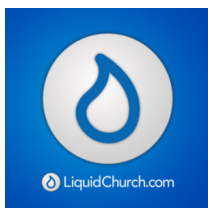

Any questions? Let me know! Have a Happy Thursday.
